

Date:

Wednesday Challenge Form

Group Members: Kevin S.

Problem Statement:

Cut a perfect 1 foot by 1 foot square out of cardboard with a partner. Only one person is allowed to cut though.

Approach:

Kevin and I drew out the boarders with a sharpie and then I cut it.

Solution:

Kevin and I drew out the boarders with a sharpie and then I cut it

Lessons Learned:

Its hard to cut cardboard straight.
